ORDER:

In the G.O. first cited, the Government sanctioned 50 stipends for candidates undergoing compounders' training and subsequently increased the number of stipends by 25 in the G.Os next cited. At present, the admission of candidates in each centre for the training of compounders is limited to 5. With a view to meet the growing demand for qualified compounders, the Surgeon-General has proposed to increase the number of admissions in each centre and to further increase the number of stipends by 30 (15 in the City and 15 in the mufassal centres) so that more candidates may be admitted in such centres wherever they come in large numbers. He has also proposed the admission of non-stipendiaries wherever the candidates volunteer to take up the training course. Considering the need for more qualified compounders, the Government approve the above proposals.

2. The expenditure should be debited to "38.b.Medical - Hospitals and Dispensaries".

3. The Accountant-General is requested to admit the expenditure in audit pending provision of funds. The Surgeon-General is requested to take steps to provide in due course the necessary funds by re-appropriation or otherwise.

(By order of His Excellency the Governor)

T.GOVINDA MENON
Deputy Secretary to Government.

To the Surgeon-General with the Government of Madras.
To the Accountant-General, through the Finance Department.
